Thank you for participating in the Alliance Job Fair on July 22, 2015 at the Alliance Senior Center. I hope it was a very positive experience for your company. We had over 400 job seekers attend the fair and the overall response was very positive. I had the opportunity to talk to most of you during the day and found that most of you were very pleased with the quality of applicants.

I have attached a short survey to get you feedback from the day's events. We can use this feedback for future job fairs. Please take a few minutes to complete the survey and send it back to the Chamber. You can email, fax or mail it. All of the contact information is below.

Again, thank you and I look forward to working with you in the future.
