

This document identifies the portions of the 2013 OIBRS Data Specifications manual that have been revised/updated from the 2011 manual.

- Removed examples of “lawnmowers” and “hedge clippers” from Property Description code 26 (Tools) description since they now apply to Property Description code 68 (Lawn/Yard/Garden Equipment) (page 46).
- Removed all examples from Property Description code 29 (Other Equipment) description since they now apply to more specific Property Description codes (page 47).
- Added NIBRS Offense codes 64A and 64B as options for Larceny Type and Arrest Larceny Type codes, only to be selected when 2905.32 is reported as the ORC (pages 26, 98, 117, 127, 135, and 140). Took out example.
- Added explanation to allow for duplicate 2905.32 to be reported if both 64A and 64B apply in the same incident (pages 24, 97, 133, and 138). An example for reporting duplicate trafficking in persons is provided on page 24.
- Added a more specific explanation for the value to be reported for general Intangible items compared to the more specific “Identity-Intangible” Property Description code (page 50).
- Updated Hate/Bias code descriptions, and added Hate/Bias codes 16, 61, 62, 71, and 72 (pages 39-40, and 118).
- Updated Ethnicity code descriptions (pages 65, 79, 103, C2 and C3).
- Updated Race code descriptions, added Race code P (pages 65, 79, and 103).
- Added definitions for Human Trafficking offenses (page B4).
- Added Location Type code 68 – Community Center (page 29).
- Added definition for Purchasing Prostitution offense (page B5).
- Specified that the property segment requirement is for Group A offenses that are Crimes Against Property (page 142). It doesn’t apply to Group B offenses.
- Revised Example 2 for Victim Sequence Number (page 74).
- Revised explanation for Type of Drug Measurement in sentence 28c (page 137).
- Added MP3 players to examples for Property Description code 19 (Stereo Equipment, TV, and Radio) and GPS units to examples for Property Description code 27 (Vehicle Parts or Accessories) (page 46).
- Updated Acknowledgments section (page 4).
- Removed specific ORC offense codes listed on the Type Criminal Activity data element page and updated Note to reflect specific ORCs can be found in the Implied Edits section (page 37).
- Updated the Delayed monthly processing explanation (page 113).
- Added an explanation in the Implied Edits for property segments when multiple offenses are reported in an incident that require a property segment (page 143).
